# Number two   2   second

Look at the ladder. Listen to the CD and point to the number you hear.

Take out your numbers and arrange them in order. Find number **2** and feel its shape.
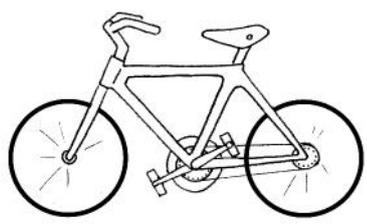

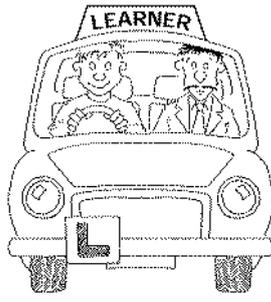

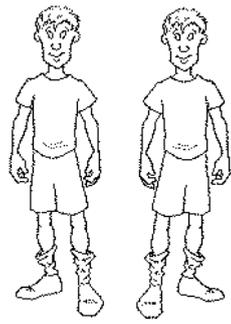

Take out your Addacus and talk to your tutor about it.

Place **one** unit **cube on** the **unit post**. Now **add** another **one**. How many have you got?

Colour the **second** rung on the ladder **orange**.

What colour should the first rung be?

a **pair** of earrings	a **bi**cycle
a **couple** of pens	**two** sweets

Stringalongs

Use **orange** to make a **2** string:

Tell a friend everything your stringalong tells you about the number 2.

How many ways can you make 2?

What happens if you count off 1 - How many are left over?

How many 1's are in 2?

2 is an **even** number.

Ask your tutor to use the stringalong to show that **2** is an **even** number.
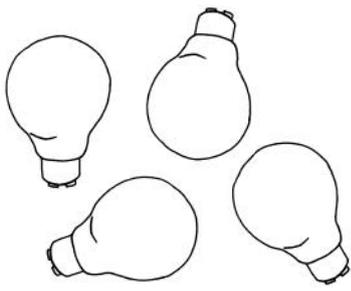

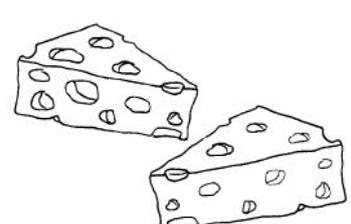

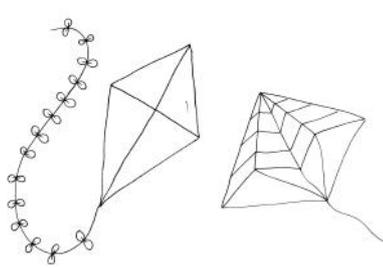

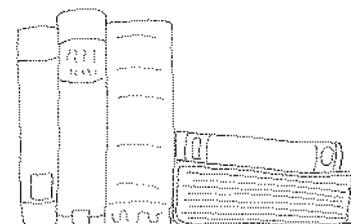

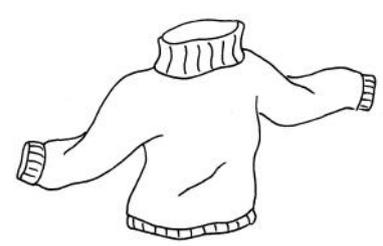

Read, trace and write:
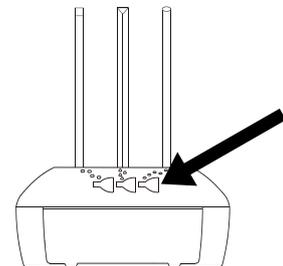

2   2   2

two   two

Write **2** in the box next to the picture that shows **two** things:

|		
☐ _____	☐ _____	☐ _____
☐ _____	☐ _____	☐ _____

Go back and write *two* on the line next to the picture that shows **2** things.
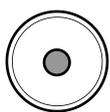

Dial **2** under the unit post of the Addacus.

Find your **2** card. Feel and count the **orange** dots.

Take out your **orange 2** strip. Fill it with unit cubes. How many did you need?

2

Listen to the story.
Hold up your **2** card when you hear a word that means **two.**

Colour the dots to show that: 2   =   1 and 1
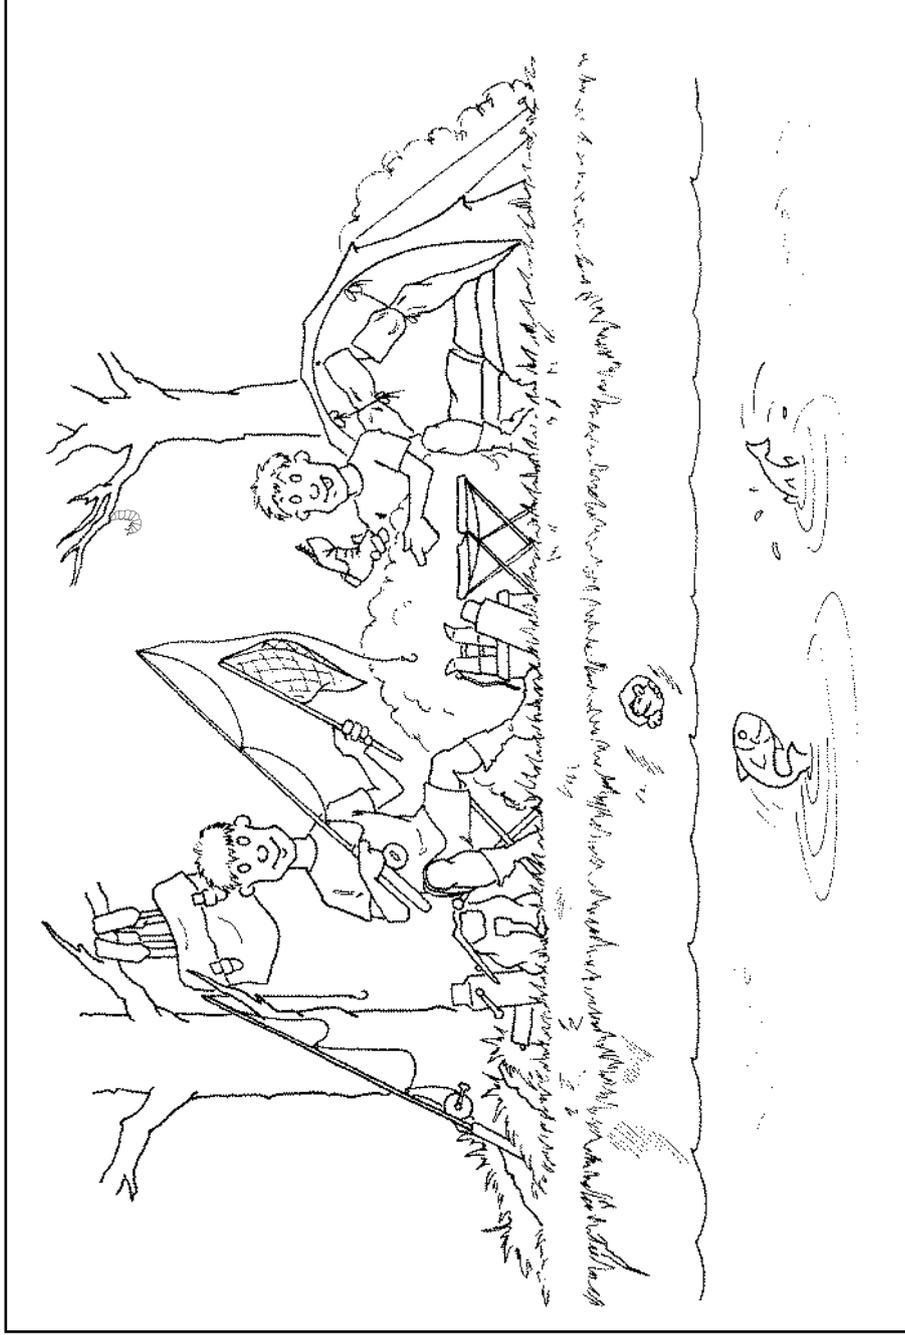

Is **2** an **odd** or an **even** number?

Story of 2

Listen to the CD. Hold up your 2 card every time you hear a word that means 2.

Have a look at the picture of the twins' camping spot and point out all the twos you can see. e.g. 2 stools
How many single things can you see? e.g. 1 tent

What surprises do you think the twins will find in their sandwich packets? What tricks do you think the twins will play on this trip?
