

# Time

- Look at the picture and then follow the instructions to build a clock.

You will need:

1. Number line clock strip
2. Clock Number Cards
3. 2 clock hands (1 large and 1 small)
4. 12 five strips and 60 unit cubes

**Big Hand points to minutes**  
**Small Hand points to hours**

Place the hands to show:

1. 1 o'clock; 7 o'clock; 11 o'clock; 5 o'clock; 8 o'clock
2.  $\frac{1}{4}$  past 9;  $\frac{1}{4}$  past 5;  $\frac{1}{4}$  past 10;  $\frac{1}{2}$  past 3;  $\frac{1}{2}$  past 4
3.  $\frac{1}{4}$  to 5;  $\frac{1}{4}$  to 2;  $\frac{1}{4}$  to 1; 10 to 6; 10 past 5

Take it in turns to think of a time and ask your friend to make it on the clock.
